

Policy #: 760

SCHOOL DISTRICT OF WEBSTER

Date Adopted: November 24, 2014

Date Revised: June 13, 2024

Policy Title: Food Services Management

The District's food service program is intended to provide nutritious and appetizing meals to students. The School Board recognizes that good nutrition is vital to students' health, their mental and physical growth, and their readiness to participate and learn at school.

The food service program is operated in conjunction with federal and state school nutrition programs, including *the National School Lunch Program, the School Breakfast Program and the Special Milk Program.*

It is the Board's goal that the food service program shall be operated in a manner that is financially self-supporting on an operational basis, with allowances for capital expenditures (e.g., facilities and capital equipment). The Board shall establish the unsubsidized price to be charged for school meals. Employees and authorized school visitors may be permitted to purchase school meals according to procedures approved by the District Administrator.

The District's Director of Food Services shall have primary responsibility for the management of the District's food service program, subject to administrative supervision and Board oversight. The responsibilities of the Director of Food Services include the following:

1. Establishing a program that meets applicable nutrition standards and that is consistent with the District's school wellness policy.
2. Establishing and monitoring the implementation of a food safety program and plan that includes procedures and standards for the safe and sanitary transportation, storage, preparation, and serving of food.
3. Arranging for the regular inspection of the District's food service preparation and serving facilities as required by law.
4. Working with the District Superintendent and Accountant to implement and monitor sound program accounting practices, appropriate and lawful purchasing and procurement procedures, and program and financial reporting.
5. Arranging for and monitoring the completion of training received by the District's food service employees, including training related to food safety and the District's civil rights obligations.
6. Ensuring the proper dissemination and processing of free and reduced-price meal applications and establishing standards and procedures to ensure the appropriate confidentiality of application information and eligibility status.
7. Ensuring that students who participate in the free or reduced-price meals program are not overtly identified, distinguished, or served differently than other students, and have the same choice of meals or milk as other students.
8. Working with individual students and their parents or guardians and school to address special dietary needs.
9. Arranging for and verifying that the District issues and provides required public notices related to the District's food service program. Such notices include (a) the District's
