

**Employment Opportunity**  
**SCHOOL DISTRICT OF WEBSTER**  
**Job Title: Long Term Substitute – High School Math**

**Description:** The Webster School District is seeking a long term substitute for high school math. This position will run for approximately 10 weeks, beginning August 21, 2024 and ending November 1, 2024.

**Qualifications:** This position will be covering Junior Math, Pre-Algebra, Algebra I and Algebra II. A current WI DPI Substitute Teaching License is required.

**District Background:** The Webster School District is located in rural northwestern Wisconsin, halfway between the Twin Cities and Duluth, MN. Our District encompasses roughly 550 square miles with many lakes and outdoor recreational opportunities. The Webster School District has a diverse population with 17 percent of our student body of Native American descent. The District prides itself in offering excellent educational and professional development opportunities. We cherish small town rural values and working together to thoughtfully plan for our future. Our District is a strong and growing school community with a committed staff that shares a passion for teaching and learning. Webster is a Pre-K-12 District, with one elementary and one Middle/High school. The District, in an active partnership with families and the community, helps prepare all students for academic achievement and lifetime success. Webster is a 1:1 computing District with all K-12 students having a device.

**Deadline:** July 19, 2024

**How to Apply:** Applicants are required to submit the following via WECAN: Resume and proof of Wisconsin Licensure. WECAN Vacancy ID: 213156

**Contact:** Cassi Hulleman, Payroll/Benefits Specialist, [chulleman@webster.k12.wi.us](mailto:chulleman@webster.k12.wi.us)
